## 1st NATIONAL MEETING FOR SPETA

SATURDAY 21st May 2011

10:30 am – 3:30 pm

ABRSM - LONDON

An invitation to Steelpan Teachers/Tutors, School music Teachers, and Local Authority Representatives are invited to attend the first National meeting of SPETA. This invitation is extended to existing music teachers that wish to learn more about the steelpan instrument and the delivery of lessons in an academic environment.

A new national organisation is being established for steelpan educators and tutors, sponsored by ABRSM and initially facilitated by SV2G ('St. Vincent and the Grenadines Second Generation', based in High Wycombe). The intention is that over time, SPETA will establish itself as an organisation similar to ESTA, EPTA, ERTA etc. and members of it will gain worthwhile professional benefits.

The confirmed Speakers will include;

ABRSM CEO Guy Pericone

Nigel Scaife – Syllabus Director ABRSM
