A Steelband Ensemble

A steelband ensemble or steelband has a maximum of 25 players.

A Traditional Steelband

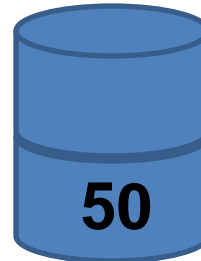

A traditional
steelband has
a maximum of
35 players.

A Small Steelband

A small steelband
has a maximum of
50 players and is
often called a Small
Steel Orchestra.

A Medium Steelband

A medium steelband has a maximum of **70** players and is often called a Medium Steel Orchestra.

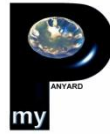

A Large Steelband

A large steelband has a maximum of **100** players and is often called a Large Steel Orchestra.

A Traditional Steelband

A traditional steelband is sometimes called a **single pan** steelband because you only play one pan. It is also called a **pan around the neck** steelband.

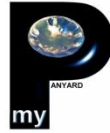

A Conventional steelband

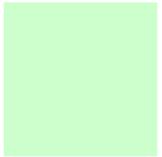

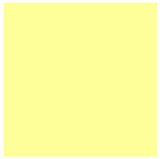

A conventional steelband uses stands to hold the pans and you can play more than one pan at a time.
